

REACH Conformity Declaration

Producers or importers in the EU must inform their customers if their articles contain substances from the SVHC list in concentrations above 0.1% (w/w). This information must be provided to ensure safe use of the article as soon as the substances are included or, upon request, to a consumer within 45 days of receiving the request.

MICROSOLV, based in North Carolina, USA, certifies that its products comply with REACH regulations. Our products do not contain, nor are they manufactured with, substances listed on the SVHC list.

All products in the table conform to the Directive (EU) 2015/863 amendment of the RoHS DIRECTIVE 2011/65/EU, Article 4(1): and do not contain any of the below-mentioned 10 Hazardous substances above the specified limits.
