

RoHS Conformity Declaration

This is to certify that the products manufactured and distributed by MicroSolv Technology Corporation in Leland, North Carolina comply with the RoHS (Restriction of Hazardous Substances) directive.

In accordance with the 2015/863/EG regulation and related publications, we certify that the following substances are not present in our products and are not used in our manufacturing process:

- Lead
- Mercury
- Cadmium
- Hexavalent chromium (Cr6+)
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ether (PBDE)
- Bis(2-Ethylhexyl) phthalate (DEHP)
- Benzyl butyl phthalate (BBP)
- Dibutyl phthalate (DBP)
- Diisobutyl phthalate (DIBP)

The directive applies to equipment as defined by a section of the WEEE directive, covering the following categories:

- Large and small household appliances
- IT equipment
- Telecommunications equipment (with some exemptions for infrastructure equipment in certain countries)
- Consumer equipment
- Lighting equipment, including light bulbs
- Electronic and electrical tools
- Toys, leisure, and sports equipment
- Medical devices
- Monitoring and control instruments
- Automatic dispensers
